Profile

Creative and detail-oriented designer with **2+ years of experience** in visual design, e-commerce creatives, and multimedia content. Proven ability to craft high-performing visuals that drive engagement and sales. Strong background in **AI-assisted design workflows**, frontend understanding, and storytelling-driven content creation across UAE, Saudi Arabia & India markets.

Experience

Business Operations Associate & Graphic Designer Zenarise – Working across S2C & Saddl brands

S2C · E-COMMERCE

UAE · Saudi Arabia · India

- Led full visual revamp – new design language for a 2-year-old brand
- Designed product visuals, packaging & listing creatives for **Amazon & Noon**
- Tumbler launch → **complete sell-out in one week** via visuals & organic traction
- Adapted creatives per regional audience preferences
- Managed e-commerce listings, product updates & operations

SADDL · DIGITAL BRAND

UAE · Saudi Arabia · India

- Designed marketing creatives, posters & client presentations
- Contributed to **frontend UI** for dynamic subscription/payment page
- Enhanced product branding & UX through visual consistency
- Created targeted creatives across 3 distinct regional markets

Content & Creative

Content Writer & Creative Support Enu Dot Com · Instagram

Apr 2024 – May 2025

- Created influencer-style travel content using storytelling & scripting techniques
- Guided on-camera delivery – tone, accent & performance coaching
- Combined writing with visual direction to maximise engagement

1M+ Views on content

500K Consistent reach

Indirect brand promotion

Project

MS Bridge – Student Communication Platform

WEB APP

- Built a platform bridging student–teacher communication with privacy as a core principle
- Anonymous complaint & feedback system – no phone number sharing required
- Implemented announcements & notes-sharing features; deployed live via Netlify
